Warangal	22,722	7.0	8.4%	2025-03
Kurnool	20,041	8.3	4.5%	2025-03

Hyderabad was the strongest growth market in March 2025, followed by Vijayawada and Visakhapatnam. These cities should be prioritized for launch campaigns and regional-language creatives.

Operational recommendations

1. Increase promotional support for titles with both high watch hours and high completion, especially Dark Orbit.
2. Use Hyderabad, Vijayawada, and Visakhapatnam as priority regions for Telugu catalogue personalization.
3. Investigate Comedy performance with title-level reviews, completion drop-off, and trailer-to-watch conversion.
4. Package Family Drama and Action titles as weekend recommendation rows because they generated the highest aggregate watch hours.
